## All About You

By Catherine and Laurence Anholt

**Before you read,** share some of your favorite things. At a child-care center have everyone bring in one favorite thing to show everyone.

**While you read,** point to each picture and word as you read it.

Reading Tip: Make sure all of the children can see the pictures and words on every page.

**After you read,** make a self-portrait and include your favorite things.

Create a whole book of ME! Put one thing you love on each page and staple or paper-hole punch them into your very own book.

Try tracing each other on big sheets of butcher-block paper.

Get out a pad of non-toxic ink or paint. Create thumbprints by pressing your thumbs into the pigment and then onto pieces of paper.

What is your favorite PBS Kids show? Go to [wpt.org/kids/kidtv/weekday.html](http://wpt.org/kids/kidtv/weekday.html) and find out when your favorite program is scheduled!
